

# Donating regularly to The Pear Tree Fund

You can help us continue providing vital support when local people need it the most by setting up a regular donation to The Pear Tree Fund. This will help us to plan ahead so that we can bring the biggest benefit to local people.

Your generosity could be used by The Pear Tree Fund to support patients nearing the end of the lives by providing them with specialist care in their own homes.

Alternatively, you may prefer us to use your gift to help towards the running costs of The Pear Tree Centre, which provides help and support to people with life-limiting illnesses and their families and carers.

To help, simply complete this form and return it to:

## What your gift could buy

**£3 a month...**could help pay for overnight care to support someone who is ill

**£5 a month...**could contribute towards the cost of a nurse so that someone who is at the end of their life could remain at home

**£10 per month...**could help towards the cost of a member of staff to work in the Pear Tree Centre to provide guidance, advice and support

You can also let us know if you would prefer your donation to be spent supporting a specific area of our work.
